For Parents and Caregivers...

Triple P- One on One Parenting Sessions

Ongoing sessions by appointment, available in person or via Zoom

Triple P is a parenting program but it does not tell you how to be a parent, it is more like a toolbox of ideas. You choose the strategies you need. You choose the way you want to use them. It is all about making Triple P work for you! Triple P can help you raise happy, healthy kids, manage your kid's behaviour, set routines and rules, balance work and family and much more.

Ages & Stages Questionnaire-

The Ages & Stages Questionnaire is an early years developmental check- in, designed to provide a snapshot of your child's development which can help in catching delays and celebrating milestones. Its easy to do and you can receive great activity ideas to help enhance your child's skill development. To learn more, talk to one of our team members at 403-652-8633 or complete one online using this link, https://www.asqonline.com/family/91b5e7
