

## Preschool Oral Health Clinics Okotoks, Alberta

### What is included in the Free Preschool Oral Health Clinics?

A dental professional will:

- Provide a visual dental check.
- Provide a fluoride varnish treatment. Fluoride varnish is a liquid painted onto your child's teeth to provide protection from cavities. It takes only a minute to apply and is safe for young children.
- Talk about ways to help protect your child's teeth.

### Who is Eligible?

All children 12 months to 35 months of age living in the Town of Okotoks are eligible for this service.

### Where is it?

- Okotoks Health and Wellness Centre
- 11 Cimarron Common

### When is it?

First Saturday of each month
